*Bringing you the latest business news from Brentwood*

## Summer BBQ confirmed as events calendar fills out through 2019

As you will have seen by now, the Chamber has drawn up a very full and varied list of events during 2019. And also we're now pleased to confirm the date and location of this year's Summer Barbecue.

Ashwells Country Club will be hosting the event on Wednesday July 3, from 6-9pm. And this year the Chamber is looking to utilise the BBQ as an opportunity for members to promote and showcase their business or organisation.

We will be offering a limited number of exhibitor places, providing an excellent opportunity to entertain clients, staff and guests in the perfect setting of Ashwells' beautiful grounds

It'll give you the chance to enjoy a balmy summer's evening with good food, drink and entertainment - and some relaxed networking too.

Full details of the Exhibitor places will be confirmed in due course, as will individual and group ticket prices. But stick the date in your diary for now.

Also remember that the Chamber's Open Meeting and Annual General Meeting takes place on Thursday May 16 at Brentwood Cricket Club, welcoming non-members as well as Chamber members - with The Rt Hon. the Lord Pickles our main speaker.

We will be electing Chamber officials and members of the Executive Committee. If you would like to put yourself forward, you can download an application form at [brentwoodchambers.co.uk/executive-committee](http://brentwoodchambers.co.uk/executive-committee) - to be returned to us by April 26.

Meanwhile, as part of our ongoing events partnership with Brentwood Borough Council and the Brentwood Business Partnership, we will be holding a Brentwood Business Briefing in early September.

The event will include a panel discussion, exhibitor stalls and networking. Full details of the Briefing will be shared as soon as they are confirmed.

To get first notification of ticket sales for all Chamber events, make sure you are signed up for our email updates and follow our social media channels - see [brentwoodchambers.co.uk/contact-us](http://brentwoodchambers.co.uk/contact-us) for full details.

*Ashwells Country Club will be the stunning location for our Summer BBQ on July 3*

Also, if you are you looking to extend your branding to Brentwood residents and businesses, you will interested to note that the Council has released details of its 2019 events sponsorship packages.

These provide a wide range of opportunities (from as little as £50) to promote your business at large community events such as Lighting Up Brentwood, Strawberry Fair and the Brentwood Business Showcase.

For more details, email [business@brentwood.gov.uk](mailto:business@brentwood.gov.uk) to request your copy of their sponsorship guide.

SILVER AWARD  
GUILD OF PHOTOGRAPHERS

## Is your business imagery fit for purpose? Get help now!

Increasingly we are consuming our news and social media solely by images. You only have to look at the huge rise in popularity of Instagram, from its launch in October 2010, to 1 billion monthly active users in June 2018.

Tina Wing of Chamber member Tina Wing Photography truly believes that your business deserves to showcase itself with beautiful imagery.

“With there no longer being any photographers directly employed by any weekly newspapers in Essex, your business needs to be able to supply high-quality photos from your events, and of your products and staff for press releases too,” said Tina.

“To give Brentwood Chamber’s members an advantage over their competition, I am offering them a 10 per cent discount for my business and food photography services during April and May.

“I will work closely with you to identify your business values, brand, colours and ethos.

“I will then create you a toolkit of stunning images for all your marketing needs, including publications, websites and social media.”

Tina adds: “I was delighted to recently achieve my first silver medal with The Guild of Photographers for one of my food images, to add to my collection of bronze medals.

“It’s a visual world, so make sure you invest in high-quality, professional photography to showcase your business and tell your visual story.”

Tina started her working life in the family photographic processing business in the pre-digital age, before starting her own photography business.

She is a member of the SWPP (Society of Wedding and Portrait Photographers) and the Guild of Photographers - offering a range of services across wedding photography, gourmet food photography, business portraits and headshots.

## Being spurred on by a Chamber in San Antonio

We are always looking to improve the range of services, which we offer to our members, and one source of ideas is to check what other chambers are offering to their members.

With this in mind, our Chairman Colin Barber, on a recent visit to San Antonio in Texas, decided to visit the local Chamber of Commerce in search of ideas and inspiration.

Brentwood certainly does not compare in size to San Antonio, which is the seventh largest city in the USA, and their Chamber has more than 2,000 members! But their philosophies and goals are very similar to ours.

What impressed Colin most was how the Chamber seemed to be at the centre of everything which could affect business in the city, thus giving them a strong influence over all major decision-making in such areas as transportation, planning, tourism - and even military affairs.

Colin explained: “It certainly re-enforced my belief in the importance of close relationships between the Chamber and other key organisations in the town.”

As always, if you have any suggestions or ideas on what the Chamber can do to help ‘Build Better Business in Brentwood’, then do let us know. Or if you have experienced other Chambers elsewhere on your travels.

## New date for Meet the Neighbours

The Meet the Neighbours event due to be staged by Stansted Airport Chamber of Commerce last month was unfortunately cancelled late in the day.

Several Chamber members had booked to attend, and all will be glad to hear that the innovative networking event has been rescheduled for September 10.

The afternoon attracts businesses from a range of sectors from start-ups to corporates from around the region, with SACC working closely with us and other neighbouring Chambers.
