Julien Pritchard - Partner, Pinney Talfourd Solicitors

Julien Pritchard, Partner,
Pinney Talfourd Solicitors

Tell us briefly about your business and how long you have worked there?

Pinney Talfourd is a full service law firm located in Upminster, Hornchurch, Brentwood and Chelmsford. We now have around 120 employees (but increasing by the day), 77 lawyers and 16 partners. We have an extensive private client team dealing with

wills, probate, estates and trusts and a tier 1 legal 500 family department with one of the largest teams in Essex. We cover all areas of law (including conveyancing and general litigation) save for immigration and criminal work.

What is your role in this business?

I am a partner who heads up the commercial team dealing with commercial property and company and commercial transactions.

How long have you worked there?

I joined Pinney Talfourd in 2011 and became a partner in 2014. I will have been at Pinney Talfourd for 15 years this year.

What was your first job?

My first job was working in a dairy in Sible Hedingham working on the factory floor dealing with the packaging of milk and dairy products.

What job did you think you would like to do when you were a child?

Sadly, I wanted to be a solicitor from quite a young age. I believe I started out wanting to be a judge but thought the wig would be itchy.

Who do you admire in the business world?

I think I would have to say Bill Gates who made Microsoft a tool we all use every day, however, I have admiration for anyone who has the vision to see a niche or gap in the market and the drive to fill it.

Have you had any mentors and if so, what did you learn from them?

I have benefited from guidance and advice from a number of great solicitors over the years in a number of firms. It may be cliched but I also need to recognise my parents for instilling a work drive which has got me where I am.

What advice would you give to someone just starting up in business?

Have a clear vision and a solid business plan. Network effectively with people who can further your objectives. Every day is a school day, be open to new ideas and trust your instincts, if it sounds too good to be true it almost certainly is!

How do you handle setbacks or frustrations?

Take a deep breath and work the problem. Break it down, prioritise and do one job at a time and do it well.

What are your hobbies and interests outside of work?

I am a geek at heart and enjoy sci-fi, fantasy and gaming. I also belong to a local amateur dramatics group working strictly backstage on the technicalities of putting on a show. I have been the Assistant Stage Manager on several productions. I also enjoy shooting both air-rifles and shotguns, a hobby I enjoy with my son.

Who would you like to spend one day with and why?

I think it would have to be Robin Williams, what a roller coaster that would be!

Success at Breakfast

At our recent Business Breakfasts, we've been actively encouraging members to collaborate more effectively by introducing referral and 1-to-1 request slips in place of the second round of verbal referrals.

This small change has streamlined the meetings, kept the energy high, and made it easier for members to connect with the right people.

At our last breakfast at Brentwood Theatre alone, we documented 16 referrals and 1-to-1 meeting requests, showing that the room is genuinely working together, not just networking for the sake of it.

It's a simple but powerful way of turning conversations into real business opportunities.

In Memory of Julian Goode

We were very sorry to hear that former Chamber Executive Committee member, Julian Goode, passed away recently. Julian contracted Leukemia a few years ago, and had a bone marrow transplant, which was successful initially, but his health later deteriorated.

After a career in journalism and later social media, Julian joined the Chamber when he started his own Social media business. Being a keen walker, he regularly attended our summer 'Netwalking' events. We are planning to re-introduce Netwalking this summer in Julian's memory. Julian later joined the Chamber committee and was our Newsletter Editor and Social Media Manager from 2017 to 2020. After his bone marrow transplant, Julian went on to train as a mountain walking guide, and undertook a long walk around the UK to raise funds for his two chosen charities, Bart's and the Anthony Nolan Trust.

Our thoughts go out to Julian's family. His funeral will take place at 11.30am on Wednesday, 4th February at Brentwood Cathedral followed by a family burial nearby. Afterwards, there will be refreshments at Old Brentwoods Rugby Club to celebrate Julian's life.
